

Easy Travel Mid Range Scooter

Titan 4[®]

ADVANCED TECHNOLOGIES THAT MOVE YOU

The Titan 4W has been designed as an eminently portable and high performance scooter; in fact the perfect high performance transportable scooter.

With the heaviest part weighting only 49 lbs, it is the world's most portable, adjustable & comfortable high performance scooter available.

The Titan is only 24 Inches wide and has a very efficient high torque motor with the capability of climbing even steep inclines, ramps and hills.

EasyTravel Mid Range Titan 4
